

Return to School -August 2021

- If your child tests positive for COVID or displays COVID symptoms, please inform the school immediately using our school email address info@derrychrin.cookstown.ni.sch.uk or contacting the school by telephone on 028 8673 7456
- Pupils should be kept at home if feeling unwell
- If a household member or other close contacts is COVID positive, inform the school immediately. The child must remain at home until a PCR test has been taken with a negative result.
- Any pupil who becomes unwell in school will be isolated in a separate room of the school and parents/guardians will be contacted immediately. We would encourage parents to have arrangements in place to collect pupils at short notice if necessary.
- Updated PHA guidance will be adhered to at all times in instances of positive or suspected cases of COVID
- If a child is absent for any reason, parents/guardians should inform the school by using the 'Report Pupil Absence' button on our school website www.derrychrinps.org

PLEASE SEE GUIDANCE FLOWCHART BELOW FOR CLOSE CONTACTS OF A COVID CASE IN A SCHOOL SETTING.

Guidance Flowchart for **Close Contacts** of a Covid case in a school setting 19/08/2021
